ORDER :

The Commissioner Intermediate Education, Andhra Pradesh, Hyderabad, in the reference first read above has stated that in accordance with the orders issued in the reference first read above, the Comprehensive Tender Evaluation Committee (Herein after called The Committee) finalized the tender document and called for tenders online on 14th December 2011 following prescribed Government procedures. The tenders were opened on 7th January, 2012 and the technical bids were initially evaluated by an internal committee constituted in the department and subsequently, by the Comprehensive Tender Evaluation Committee on 18.01.2012 who found all the applicants eligible and hence opened the financial bids. In the financial bids, the Tender Committee identified the lowest bids for each of the 4 hubs. But, as the Committee felt that the rates quoted by even L1 bidders were on the higher side, negotiations were held with L1 bidders on 21.01.2012. After negotiations, the Committee recommended the offer of M/s Pearson Education Services Pvt. Ltd., for **Hub 1 and 2**. As negotiations failed with the L1 bidders of HUB 3 & 4 the Committee decided to recall tenders.

2. Accordingly, re-tenders were called on 6.2.2012 for Hubs 3 & 4. Technical bids were opened on 23.2.2012. The Committee examined the technical bids on 29.2.2012 and after discussions, disqualified M/s Educomp Solutions for violation of bid norms at the technical bid evaluation stage itself. The Committee opened the financial bids of the other two qualified bidders on 14.3.2012 and found that the rate offered by M/s CORE Project and Technologies Ltd., to be the lower offer among the two bids.

3. The Committee authorized the Commissioner of Intermediate Education to negotiate with L1 bidder as per norms. Accordingly, negotiations were held with L1 bidder by the department on 15.3.2012. After negotiations, M/s CORE Project & Technologies Ltd., gave a revised offer which compares reasonably well with the prices quoted for HUBs 1 & 2 by M/s Pearson Education Services Pvt. Ltd.,

4. The Commissioner, Intermediate Education has furnished the names of the following agencies who were the lowest tenders for Hubs 1, 2, 3 & 4 for approval of the Government, for implementation of ICT @ 700 Junior Colleges from the academic year 2012-2013.
